The guide for Euro Truck Simulator 2 has been updated with fresh content from the Italia DLC pack. You'll find helpful tips and advice to get you started in your truck driving career, including info on new truck models, routes, and features. The guide covers the basics of gameplay, such as navigating menus, managing finances, and upgrading your fleet. It also delves into more advanced topics like customizing trucks, expanding your business, and using tools like the consignment market. One section focuses on maps, including a directory of key locations like truck dealerships, job agencies, ports, and gas stations. You'll learn how to make the most of these hubs to boost profits and grow your business. Additionally, the guide provides an overview of Euro Truck Simulator 2's multiplayer mode, including how to create an account, join servers, and participate in online events. The walkthrough includes a comprehensive list of achievements and trophies across various platforms, highlighting new challenges introduced by DLC expansions. Finally, the author provides detailed maps and explanations for each city, helping you plan your route and optimize your travel time. The guide was written with Euro Truck Simulator 2 version 1.30.2.2 in mind, but it should remain relevant for future updates. Written by Maciej "Psycho Mantis" Stepnikowski, with contributions from Marcin "Virus001" Skretkowicz and Patrick "YxU" Homa (www.gamepressure.com). A comprehensive manual transmission guide for American Truck Simulator (ATS) and Euro Truck Simulator (ETS2). The walkthrough covers various manual transmission layouts in both games, featuring videos and detailed descriptions. This guide aims to assist players in utilizing manual transmissions effectively. ##### Key Highlights \*\* Green text represents numerous objects and actions, including quick orders, consignment market, car dealers, job agencies, ports, and gas stations. Brown text denotes default keys assigned to specific actions, while orange text indicates names of cities and countries. Please note that copying any image, text, or information from this page is strictly prohibited. This site is not affiliated with Rondomedia or SCS Software.
